SENIOR CLASS

DEDICATION

For their deep understanding of and devotion to teenagers, their respect of teenage ideals, their willingness to work with and help us in solving our problems, we, the Senior Class of Coopers High School, hereby dedicate the 1962 edition of the Cohisan to Mr. Roger Bunch, Mrs. Jeannette Pittman, and Mr. Jim Eaker.

FOREWORD

Preparing to leave Coopers High School, we look back on the many times we have shared together. There have been good times and there have been bad times. As we go through life, may each of us remember only the good times. Not only did these good times provide for us entertainment and enjoyment during our school life here, but they will serve as an accurate source of our many happy memories. It is our hope that in the days to come you will look at this book and recall your happy high school days.

IN MEMORIAM

John Calvin Baker
April 5, 1944
December 4, 1961

A merry heart doeth good like medicine,
It maketh a cheerful countenance.
He that is of a merry heart
Hath a continual feast.

I have taught thee in the way of wisdom;
I have led thee in right paths.
In the integrity of my heart have I done so.

CLASS SONG

It has taken us many a year, you see,
To earn and learn the right to be
A graduate of the class of sixty-two,
Awaiting our futures to make and do.

We've been happy, we've been sad.
We've been angry, we've been glad.
We've shared together for twelve years,
Laughter, worry, secret, and tears.

We may have thrown sausages and turnip greens;
Cut classes, found fault, and all sorts of things,
But our teachers, bless their patient souls,
Guided and helped us toward our goals.

Facing the future we pause to say;
"Thanks parents, teachers, patrons in every way,
And to grand old Coopers, we've known so well;
We bid you now a fond farewell."

CLASS POEM

On the Threshold of Future

As we look o'er the days gone by,
A song of gladness fills our hearts
For, even though 'tis time to say goodbye
We knew in '62 we'd have to part.

Teachers, you've been good to us, we must say,
We haven't always been the best kids,
But if we could repay you in this way,
We'd give you all our bids.

Twelve long years, together we've come
Sharing our joys, as well as our tears,
And now that all our work is done,
We step forth to meet the coming years.

With God forever by our side,
There'll be no need for fears;
Our diplomas we'll take with pride
With our only sadness being joyous tears!

PROPHECY

While attending an engineering convention in Philadelphia, I accidentally ran into Mrs. Garlow, our senior sponsor. It surprised me that she had been keeping up with the '62 graduates. This is some of the information she gave me.

Barbara Outlaw is in Hollywood where she is starring in a movie called "Jungle Wildcat." Jerry Williams is co-starring.

Norma Eason is now making enough money as a private secretary to live extravagantly.

Judy Cone is a well-known fashion designer in New York. Two of her models are Faye House and Charlotte Ferrell.

Frank Jones, loving farm life, owns a large farm in Edgecombe County.

Nancy Jenkins has written many songs which have reached number one in the nation. Her last hit was sung by the new singing idol, Glenn Lancaster. Glenn's manager is Troy Winstead.

Sybil Baker owns a big restaurant in Wilson. Her cook is Obell Flora.

Linda Smith and Beverly Murray are registered nurses at Park View Hospital. Their latest, patients were Marie Edgerton and Loretta Eason who received injuries from an automobile accident. Marie and Loretta are married to big businessmen.

Linda Lamm is making an excellent living teaching home economics in a California high school.

Ray Batchelor, now a brilliant veterinarian, was called to investigate a mysterious disease that had developed on Romey Langley's and Carson Joyner's cattle ranch in West Texas.

Helen Dunn, who is a top hair stylist, has a beauty shop in Rocky Mount. Helen gets a lot of business from housewives, Annie Ruth Lewis, Argie Hobson, and Betty Joyner Perry.

Leaston Parker and Franklin Tyson are state highway patrolmen. They have caught Carlton Poland, a foreman at the Rocky Mount furniture factory, for speeding and reckless driving quite a few times.

Gratis Upchurch is a very successful stock car driver. He won the last Southern 500. Gratis' excellent mechanic is Ernest Eason.

Edward Ward is now a baseball sportscaster. The last game he broadcast was the New York Yankees versus the Chicago White Sox. Jerry Glover, New York Yankees' star pitcher, pitched a no-hitter that day.

I had to end the conversation because I was five minutes late for a convention meeting.
